**CALL 859-873-0328 FOR DETAILS ON PNEU COL™ SYSTEM CUSTOM DESIGNED FOR YOUR FOUNDRY**

Learn about the latest research on Sonoperoxone® in an article entitled “Effects of Advanced Oxidation on Green Sand Properties via Iron Casting into Green Sand Molds” in Vol. 40, No. 9, 2006 Environmental Science & Technology. Jim Furness co-authored the paper with Drs. Fred Cannon, Robert C. Voigt and Sridhar Komarneni of The Pennsylvania State University.

**We look forward to hearing from you soon by telephone at 859 873 0328 or by email at the following addresses:**

jimfurness@gmail.com—Jim Furness, President  
mamanewbs@yahoo.com—Lynn Furness, CFO  
pdpaulsen@alltel.net—Dr. Paul D. Paulsen, Technical Dir  
mikemroczek@hotmail.com—Mike Mroczek, Sales Rep  
tangle343@gmail.com—Tom Angle, Engineer

**Very best wishes for a happy holiday season and a wonderful year in 2007.  
Jim, Lynn, Dave, Tom, Mike W and  
Mike M**
